DRINKS

Customers have the option to either run a tab on consumption, or a cash bar.

Tab on consumption allows the customer to run a bar tab at our regular prices, or pick and choose which drinks are allowed to be consumed on the tab. For example, you can choose to have tap beer, house wine and champagne or also include house & back bar spirits depending on your preference.

Cash Bar is the simplest method where customers purchase their own drinks as they go at our regular prices.

Our drinks list is available upon request via email.
